This agency has reviewed your request of February 16, 2010, for Midwestern Gas Transmission Company voidance of the above-referenced permit. The project is now complete, and a NPDES permit is no longer required.

Therefore, National Pollutant Discharge Elimination System Permit No. ING670067 issued January 7, 2010 is hereby revoked effective 18 days from the mailing date of this letter.

Any party adversely affected or aggrieved by this decision may appeal by filing a petition for administrative review with the Office of Environmental Adjudication (OEA) within eighteen (18) days after the date of mailing of this letter. Any appeal request must be filed in accordance with IC 4-21.5-3-7 and must include facts demonstrating that the party requesting appeal is the applicant, a person aggrieved or adversely affected by this voidance or otherwise entitled to review by law. Pursuant to IC 13-15-7-3, this decision shall remain in effect pending a decision on any appeal that has been timely requested under the provisions of IC 4-21.5. The address is:
